Breakfast Club is a pre-booked session that operates from 8am – 8.45am on Mondays, Tuesdays and Wednesdays each week. The cost from 7th April 2025 for a regular booking is £9.70 per session, and an occasional booking is £12.10 per session.

Children may be eligible for Working Parent entitlement from the term after they turn 9 months of age. Children will move to 2-year-old funding and fees the term after they turn 2 and move to 3 & 4 year old funding and fees the term after they turn 3.

Funding is applied to afternoon sessions 5.58 hours per day, 51 weeks of the year. This equates to 4 afternoons per week if eligible for Working Parent entitlement (from the term after a child turns 9 months old). If eligible for both Working Parent and Universal Funding from the term after a child turns 3, 4 afternoons a week will be funded. If your child is eligible for Universal Funding only, this will be applied to 2 afternoons per week. Funded only sessions are only offered in the afternoons, in line with our fee structuring and are subject to availability and offered in accordance with our admissions criteria.

10% discount for 2 or more children will be applied to the oldest child, to the 'parent to pay' portion of the fees.
